 2. Most High, from heav - en you came down,
 3. Most dear Re - deem - er, we im - plore,

Through Vir - gin Moth - er, full of grace,
 And chose to share our low - ly state,
 In gra - cious love, come now to us,
 Re - move our heav - y clouds of gloom,
 Who are the Life, the Truth a - lone;

And lat - er deigned to be bap - tized
 Your own cre - a - tion to re - deem
 And flood our hearts with your pure light
 Wash all our sin - ful stains a - way,
 The Fa - ther and the Spir - it's light

Your king - dom to in - au - gu - rate.
 And raise to ev - er - last - ing joy.
 And grace that makes us one with you.
 Be - stow the heal - ing that we need.
 On high, re - vealed you as their own.
