

1. O Son of God, you came to earth Through Vir - gin Moth-er, full of grace,  
 2. Most High, from heav - en you came down, And chose to share our low - ly state,  
 3. Most dear Re-deem-er, we im - plore, In gra-cious love, come now to us,  
 4. Re - main with us, O Lord, we pray, Re - move our heav-y clouds of gloom,  
 5. Earth once, we know, thy com - ing saw, Thou, we be - lieve, shalt come once more,  
 6. All glo - ry, Lord, to thee we pay, For thine E - pi - phan-y to - day;

And lat - er deigned to be bap-tized Your king-dom to in - au - gu-rate.  
 Your own cre-a - tion to re - deem And raise to ev - er - last-ing joy.  
 And flood our hearts with your pure light And grace that makes us one with you.  
 Wash all our sin - ful stains a - way, Be - stow the heal - ing that we need.  
 Thy scep - tre now to us ex - tend, And with thy ho - ly shield de-fend.  
 All glo - ry, as is ev - er meet, To Fa - ther and to Pa - ra-clete.

6. A - men.
