Mode I chant

Harm. Achille Bragers

1. A val-iant wo-man, strong by grace, U - nites us all in praise this day,
 2. Her heart a - glow with ho - ly love, The glam - or of this earth she spurned,
 3. By fasts and prayer she o - ver - came Our fall - en nature's down-ward trend,
 4. O Je - sus, King and Source of strength, Great things are done by you a - lone,
 5. All glo - ry, Je - sus, be to you, For through your ho - ly handmaid's love,

1. The glo - ry of her ho - li - ness Sheds far and wide its sa - cred ray.
 2. And chose the hard and nar-row way To reach the home for which she yearned.
 3. She fed her soul with constant prayer That heav-en-wards her mind should tend.
 4. So to her sup - pli - cation's praise We hum-bly strive to join our own.
 5. You give us hope for our re - ward And ev - er - last - ing joy a - bove.

5. A - men.
